Gear Leasing

About Baseball Forest

Baseball Forest is a month-to-month baseball gear *leasing* company based in Southern California. We believe every player deserves access to the best gear, every year. At Baseball Forest we know it's not only impractical, but expensive to purchase new gear, every season. Each year, American's spend hundreds of millions of dollars on new baseball gear, only to see it become outdated or outgrown by the season's end. Baseball Forest gives parents, players, teams, and leagues the option to lease the latest, highest quality gear on an affordable month-to-month basis.

If the equipment you receive is the wrong size, is accidentally damaged, or doesn't live up to expectations in any way, send it back, no questions asked. With a vast inventory of new bats, gloves, and catchers gear, we'll make sure you're ready to be an All-Star this season.

1. Choose your gear

Log on to www.baseballforest.com to get started. When you find the item you want, select the "Lease Now" button to pull up the secure checkout page. On the checkout page, you will be able to select the size, color, and other options available for that product. You will also need to accept our Rental Agreement before you can complete the process. It's as easy and buying something on Amazon.

2. Play

You are now ready to get your season started! Everything else will take place in the background. Once you submit your order, your credit card will be charged \$5 for shipping. You will have a week before your subscription officially begins to allow time for shipping. Credit cards are then charged on a monthly basis going forward until you choose to end your lease. Make sure to keep your original shipping box so you can send the gear back in it. That's it! Enjoy your season!

3. Return or Buy Your Gear

Buying your gear

You *always* have the option to purchase the gear you are currently leasing at any point. Pricing options will vary depending on how long you have leased that product. If you are interested in purchasing your gear, or want to inquire about the pricing of the item, please contact us.

Whether you want to try something new, exchange the wrong sized gear, or your season is coming to an end, we make it easy to return your gear. Return shipping is *always* on us.
